Writer/Producer **GARETH DAVIES**

Gareth has written soundtracks for commissioned TV series, most recently the award-winning Scream Street for CBBC. His music can be heard in ads and programming around the world. Gareth has also completed sound design projects for commercial clients, and provided voice over services to companies including Disney and Elemaster.

Creator/Illustrator **RICHARD SMITH**

Apart from storyboarding commercials, campaigns and multiple episodes of CBBC's animated series Scream Street, Richard creates cartoons and graphics for a wide variety of prestige names including ITV Creative, Def Leppard, PriceWaterhouseCooper, GlaxoSmithKline and many more. He is also a part-time Storyboard lecturer for the BFI.
